Subject: Declaration for Virus Variant Area for Russian Federation beginning from 29th of June 2021 (Date of Declaration Friday, 25.06.2021)

Moskau, 28. June 2021

Dear Ladies and Gentlemen,

This is just a kindly reminder. I know, that you are mostly not the responsible Person in your Airline, but I am sure you will know the responsible one and I ask you to forward the following information.

With decision from German Government from Friday 28th of June 2021 Russian Federation is declared as a Virus-Variant-Area beginning from 29.6.2021, 00:00 o'clock.

According to Article 10 Corona Einreiseverordnung all flights to Germany from 29.06.2021, 00:00 o'clock must be announced to the Federal Police Headquarter latest three days before departure. Violations against the Regulations of the Corona Einreiseverordnung can result in an administrative offense up to 25.000 Euro (article 73 Infektionsschutzgesetz).

Please send the announcement via Email to: bpolp@polizei.bund.de

The announcement must include following basic informations

Airline, date and time of landing, flight number, departing Airport in IATA 3-Letter code, landing Airport in IATA 3-Letter code

All above mentioned information were published in a NOTAM in Beginning of June 2021.

On behalf

Markus Fritzenwanker
