Reference : Your referenced letter 9-2184 dated 22 June 2021.

Dear Ms. Svetlana Petrova,

Your referenced letter received our best attention.

I would like to inform you that we accept your temporary proposed agreement to increase the number of designated air carriers on the route of Moscow-Antalya v.v. to five (5) air carriers for each Side, with the limitation of seven (7) frequencies per week assigned to the fifth designated air carriers of each Side for two (2) consecutive seasons.

In this respect, Pegasus Airlines has been authorised to operate scheduled traffic rights specified for the fifth designated carrier and total number of their flights will increase to 14 frequencies weekly on the Antalya-Moscow v.v. route.

I avail myself of this opportunity to extend my appreciation for your kind support and constructive co-operation hitherto, and I kindly invite your Authority to grant appropriate authorizations accordingly.

Yours sincerely,

Prof. Dr. Kemal YÜKSEK  
Acting Director General
