

# KRASNOYARSK 2019

29<sup>TH</sup> WINTER UNIVERSIADE

The procedure  
for crossing the border of the Russian Federation by foreign participants of the  
29<sup>th</sup> World Winter Universiade Krasnoyarsk 2019

This document contains information on the procedure for entering into and departing from the Russian Federation for foreign participants of the 29<sup>th</sup> Winter Universiade Krasnoyarsk 2019 on the basis of an electronic accreditation certificate.

## 1. UNIVERSIADE

The Universiade, a youth analog of the Olympics, have been the second most important and representative international event in the world sports arena for over 50 years.

The Universiade means international sports competitions among university students, held under the aegis of the International University Sports Federation (FISU). Students from the age of 17 to 25 years and graduates who have received an academic degree or a diploma in the year preceding the competition are allowed to participate in competitions.

At present, the following host cities of the winter universiades have been approved by the International University Sports Federation: Krasnoyarsk (Russia) in 2019, Luzern (Switzerland) in 2021, Lake Placid (USA) in 2023.

The history of the 29th Winter Universiade Krasnoyarsk 2019 dates back to 2012. On January 9, the President of the Russian Federation signed an instruction to the Prime Minister of the Russian Federation to start implementing specific measures to prepare Krasnoyarsk for participating in the bidding campaign.

On November 9, 2013 in Brussels, the FISU Executive Committee decided to hold the 29th Winter Universiade 2019 in Krasnoyarsk from March 2 to 12. Athletes will compete for 76 sets of awards in 11 sports: Biathlon, Alpine Skiing, Curling, Cross-Country Skiing, Snowboard, Ski Orienteering, Figure Skating, Freestyle, Ice Hockey, Bandy, and Short Track Speed Skating.

As instructed by the Government of the Russian Federation, foreign participants of the 29th Winter Universiade Krasnoyarsk 2019 in the period from February 22 to March 19, 2019 will enter to and depart from the Russian Federation on the basis of an electronic accreditation certificate issued by the event's host represented by ANO "Directorate Krasnoyarsk 2019".

## 2. TERMS AND DEFINITIONS

Host	:	ANO "Directorate Krasnoyarsk 2019"
Accreditation	:	the official registration procedure for Universiade participants
Accredited person	:	a person who has been accredited and received an electronic accreditation certificate
Electronic accreditation certificate	:	an electronic document in the form of a registry record granting an authorized person the right of visa-free entry to and departure from the Russian Federation in the period between February 22 and March 19, 2019
Identity document	:	an accredited person's valid identity document that was specified when filling in the individual application in the accreditation system
Personal data	:	the potential participant's details used as the basis for a decision to admit that person for participation in the event
Confirmation of accreditation	:	A document confirming that the participant has an electronic accreditation certificate
Accreditation system	:	a software module intended for ensuring efficient performance in accreditation and registration of participants and guests of the Universiade
Universiade	:	29th Winter Universiade Krasnoyarsk 2019

### 3. ACCREDITATION PROCEDURE

The procedure to obtain an electronic accreditation certificate is as follows:

1. A participant enters their personal data into the accreditation system by providing the details of a valid identity document that will later be used when crossing the border of the Russian Federation.
2. The host will process the data entered by the participant and decide either to confirm or to deny accreditation.
3. If the accreditation is confirmed, the participant will get the right of visa-free entry to and departure from the Russian Federation on the basis of an electronic accreditation certificate.
4. As a confirmation that an electronic accreditation certificate has been granted, an accreditation confirmation will be sent to the participant, which they will have to print out in colour and produce when boarding the plane, of which the Host will inform the participants.

## 4. CONFIRMATION OF ACCREDITATION

The confirmation of accreditation must be printed out in color on an A4 sheet of paper. See figure 1 for an example of such a confirmation.
