Dear Sir,

Thank you for giving us the opportunity to review and comment the draft final report on the aforementioned serious incident.

I would like to congratulate the FATA on conducting a very thorough investigation that resulted in a comprehensive and excellent report. The report gives an accurate description of the circumstances leading to the event and is fully in line with the BEA's understanding.

I have reviewed the version of the draft final report provided on December 18, 2018 with my technical advisors, Mr Sundeep GUPTA from AIRBUS and Mr Philippe FOUCHARD from SAFRAN Aircraft Engines and we have no additional comment.
